A low-angle, upward-looking photograph of modern skyscrapers with glass facades. The sun is low in the sky, creating a warm, golden glow and long shadows. The buildings are reflected in each other's glass surfaces.

2. Embed taxonomies in the business

Direction to Depositary – Compulsory Acquisition – BJ Model

[Back to Results](#)[OPEN DOCUMENT](#)

Description Target corporation authorizes and directs Depositary to disburse to dissenting offerees, as payment in full for remaining shares not tendered to successful take-over bid, proceeds provided to Depositary by offeror, in accordance with CBCA Section 206(8)

Context Fourth in sequence of five separate documents needed to implement compulsory acquisition of shares from dissenting offerees pursuant to *Canada Business Corporations Act* section 206, following successful take-over bid

A diverse group of people, including men and women of various ages and ethnicities, are shown in a blurred background, all smiling and clapping their hands. They appear to be in a professional or educational setting, possibly at a conference or seminar. The focus is on their positive reactions and engagement.
